

SPS-E024-81
29 April 1981

MEMORANDUM FOR : Director of Data Processing
FROM : [REDACTED]
Deputy Chief, Special Projects Staff/ODP
SUBJECT : Special Projects Staff Weekly Status
Report for Week Ending 28 April 1981

STAT

1. SAFE

On 27 and 28 April a [REDACTED] subcontractor gave a course on ALGOL and Extended ALGOL to CSPO personnel. ALGOL is the standard language for [REDACTED] systems.

STAT

STAT

2. ADSTAR

[REDACTED] delivered a revision of Volume III on 24 April. It was subsequently discovered that a large number of the revisions were lost because of a series of word processing errors. Revised revision is scheduled for delivery on 1 May.
